Brief details on the history of your library buildings. (please provide tables for all your sites)

	Answer
Year main library building opened	1961
Architect of main library building	Agasi Ambartumean
Any additional information. Eg length of build/cost of build/reason for build	The construction of the main building started in 1958. There was no space specially designed as a library, before that were used other buildings.
Info about second library building "Alexe Mateevici"	<p>The Library got also for library use a part of an old building next to the main library building. It's the building of former theological seminary, which was built during 1900-1902. http://www.monument.sit.md/31-august-1989/78/</p> <p>Now the building is shared by National Library and Technical University of Moldova https://utm.md/despre-utm/patrimoniu/</p> <p>Architect of the building: V. Elkasev (Sankt-Petersburg)</p> <p>Technical Supervising: architect M. Seroținsky,</p>
