Annual Report to CENL 2004 10.08.2004

Russian State Library in 2003

4. Legislation

The RF Government by its Order of August 27, 2003 has approved the plan of the development, reconstruction, restoration, and construction of the buildings complex of the RSL for 2003 –2010.

5. Buildings

It was finalised the reconstruction of the new building of the Centre of the Oriental Literature (4000 sq. m). Its inauguration took place on the October 13. The RSL possesses the richest collection of literature in languages of peoples of Africa and Asia.

The installation of the modern engineering communications was completed in the 19-tier storehouse of the Library without evacuation of its collections.

7. Information technology and networks

To the problem of the national authority files has been paid much attention within a project «International Virtual Authority File».

In November the presentation of the project on establishment of the Virtual Union Catalogue of Electronic Recourses (bibliographic descriptions and full text documents) of 5 largest libraries of RF (RSL, RNL, All Russian State Library of Foreign Literature, Moscow State University Library and Parliamentary Library) has took place.

8. The digital library

The planned work at forming the Electronic library of the RSL is going on. The pilot project «The Open Russian Electronic Library» (OREL) was put on web-site (<http://orel.ru>) and has the highest users rating.

The digital catalogue was replenished with 2230 thousands of records.

9. Legal deposit of materials

In 2003 for the first time in accordance the Federal Law «On introducing additions and alterations into the Federal Law «On the deposit copy of documents»» the RSL has begun to receive the electronic documents (CD, DVD). »

13. Cultural events, exhibitions and publishing

The RSL regularly publishes journals «Library and Information Science», «Bulletin of the Library Assembly of Eurasia» and «Newsletter of the IFLA Russian Committee».

The golden jubilee of the journal «Library and Information Science» – the 50th anniversary of its foundation – was marked by the National Award «Golden Lotus» under motto «Let's preserve spirituality of Russia».

In December IX International research readings in memoriam Nikolaj Fedorov (1829-1903) have took place which celebrated the 100th anniversary of the «Moscow Socrat», philosopher-cosmist, librarian of the Rumiantsev Museum, friend of Lev Tolstoy.

Among the organised exhibitions might be noted:

«The Famous People of Russia – Libraries Readers» (among them: Lev Tolstoy, the Rumiantsev Museum reader during 40 years, Fedor Dostoevsky, Konstantin Tsiolkovsky, Dmitrij Mendeleev).

«300 years of Russian journalism» – the huge exposition in Moscow manege, organised by the largest museums, archives and libraries, where broadly have been exposed the publications from the RSL collections.

14. Library co-operation

Non-commercial partnership «The Library Assembly of Eurasia» has changed its status and was officially registered in its new capacity on August 20 2003. Its priorities are the harmonisation of the library legislation and activation of the work of the correspondents-points in all the countries-LAE members. The RSL Director General V.V. Fedorov was elected as the LAE President and the RSL Director for Research and Publishing Activities E.V. Nikonorova was elected as the LAE Director General.

The Research Council of the RSL approved the conceptual documents «Statute on system of RSL library stocks» and «Statute on library-information stock of the Russian Federation».

Re-established Dissertation Council and preparation system for a degree candidates and doctors es sciences in the field of Library and Information Science, Bibliography Science and Book Science.

To the RSL Dissertation Council were presented a few dissertations, among them re-presenters of Mongolia and Kenya.

15. Major celebrations (anniversaries and events)

On November 19, 2003 the 175th Jubilee of the RSL as especially precious object of the cultural heritage of the peoples of the Russian Federation was solemnly celebrated in the State Kremlin Palace.

The President of Russian Federation Vladimir Putin has announced the gratitude to its staff «For great input in the development of the culture and on the occasion of the 175th anniversary of its establishment». On November 27 he has also visited the RSL and conducted the meeting with its governing body. It was the first visit of the State Head to the Library since the Emperor Alexander II visit (1872).

RSL has received a large number of congratulations from the national and foreign statesmen, scientists and public figures, and among them the congratulatory epistle from the UNESCO Director General Koïchiro Matsuura.
