We are Europe's national libraries, working together to preserve the continent's cultural heritage.

#### Who we are

The Conference of European National Librarians (short 'CENL') is a network of 48 national libraries in 45 European countries.

Members of the CENL are national. Ibrarians of the member states of the Council of Europe. Since 1947, CENL has worked to advance the cause of Europe's national bitrarist, eniretorical goor special role in preserving the continent's cultural heritage and making it accessible to all. Our mission is to advance the cause of Europe's national libraries, working better together and achieving more than we can do alone.
