

Dear CENL members,

As many of you will be making your own arrangements with regards to travel in the light of the current coronavirus outbreak we wanted to let you know that we are monitoring the situation closely with regards to the AGM in Brussels in June. At present we are proceeding as planned and we look forward to welcoming as many delegates from across the group as possible, in the hope that the current crisis will have sufficiently passed by June. However, as this is an evolving situation we will keep it under constant review, of course. In the meantime, however, you may wish to wait a couple of weeks to proceed with any further travel arrangements.

We have opened a discussion board on our Members' Forum on the CENL website and would be interested to hear your experiences: <https://www.cenl.org/forums/topic/covid-19-cenl-member-experiences/>

Best wishes,

Marcie
CENL Secretary
