Creative Meetings

With the 360 degrees video mapping system we offer in our ball room, we carry the standard ball room walls over to an organizational understanding that is beyond dreams. We provide you with the opportunity to organize your meetings, gala dinners or product launches with custom designed 3D or corporate logo shows while making a difference.

In order to experience 360 Degrees Video Mapping System you can have your QR code scanned with your smart phone.

Free High Speed Internet

Free, 100 Mbps speed fiberoptic internet
